

**Position:** Stone Mason

**Posted For:** Forestell Designed Landscapes

**Posting Date:** January 5<sup>th</sup>, 2009

**Forestell Designed Landscapes** is a dynamic growing Landscape Construction and Maintenance firm based in Guelph. We specialize in high-end commercial and residential landscapes inspired by nature, crafted from stone, wood, water and vegetation. Customer satisfaction is our primary goal in all of our projects and we are willing to go the extra mile to achieve this. The combination of exciting projects and a highly motivated, career minded team makes for a great work environment. Continuing education options are available for all long-term employees. We look forward to having you join our successful team in 2009.

**Responsibilities:**

- Overseeing all aspects of stone and concrete construction while possibly overseeing a crew of 1 or 2 people.
- Scheduling and time management
- Estimating material costs and time to complete various tasks.
- Safe and efficient equipment operation (quick-cut, backhoe, skidsteer, mini-excavator, and various other power tools)
- Must ensure team works safely in accordance with WHMIS standards while always keeping a clean worksite.
- Provide onsite instruction to labourers performing various tasks (mortared and dry-laid flagstone, dry and wet laid walls, concrete finishing, various other natural stone structures)
- Quality control on all stonework projects
- Equipment maintenance (routine repairs, some sharpening, etc.)
- Act as a professional company representative for client questions and concerns.

**Qualifications:**

- 4+ years stone masonry experience with previous supervisory experience
- Excellent communication skills
- Career minded with a desire to grow with the company
- Team player
- Critical Eye for details
- First-Aid training or other certifications are an asset
- Meticulous record keeping skills
- Valid G-class drivers licence (A-Class is an asset)
- Must be able to meet the physical demands of the job

No public transportation to the office is available; therefore reliable personal transportation is required.
